

COVID-19 Questionnaire & Informed Consent

The Melanoma Research Foundation (MRF) will comply with all applicable CDC, State, County and local regulations and public health orders, and implement the following measures as they pertain to the MRF's event. (These measures are subject to change based on evolving recommendations by applicable CDC, state and local regulations.)

Please answer the following questions:

- Have you been in contact with an individual infected with COVID-19 within the last 14 days?
- Have you been in close contact within the last 14 days with an individual suspected of being infected with COVID-19 or individuals exhibiting COVID-19 symptoms?
- Are you currently experiencing, or have you experienced in the past 14 days, fever, cough, or shortness of breath?

The MRF will NOT allow participants, staff, volunteers, vendors, sponsors and anyone associated with the event to participate in or attend the event if they answer “yes” to any of the above questions.

1. The MRF will comply with applicable social distancing requirements and enforce social distancing of 6-feet or more from other individuals, if possible.
2. The MRF will post safety signs to encourage and remind participants to socially distance, and wear face coverings, and will have complimentary face coverings available on-site.
3. The MRF will provide hand sanitizer stations and will routinely sanitize high touch areas through the duration of the event.
4. The MRF will require all vendors, volunteers and event staff to wear a face covering when and if they are coming into contact with participants.

Risks Involved. While the MRF is implementing the above measures, it is entirely possible that among staff, volunteers, attendees or other participants, there will be one or more individuals participating in the event carrying the COVID-19 virus. The risks of exposure to the COVID-19 virus may be increased by actions or omissions of participants or others, if they do not adhere to the recommended hygiene and social distancing practices. No medical professionals will be present at the event to assist or treat anyone with COVID-19 symptoms or other illness.

By voluntarily attending the event you are agreeing to abide by the guidelines set by the MRF and any applicable local/state guidelines. You also acknowledge that you have been sufficiently informed of the risks involved and may choose not to participate in the event, or change your mind regarding participation, at any time.

I acknowledge that I have received and understand the above “COVID-19 Questionnaire and Informed Consent,” and I voluntarily decide to attend and participate in the event.
