

How To: Access Your Participant Center

Thank you for participating in the Melanoma Research Foundation's Miles for Melanoma program! Here are some instructions to help you access your Participant Center.

What is the Participant Center?

The Participant Center is the online portal that allows you to check your fundraising progress, send emails to friends and family, and update your personal fundraising page.

On your personal fundraising page, you can share your story and add a photo or a link to a YouTube video. Then, you can share your personal URL with family and friends via email or social media asking them to join you at the event and/or support your fundraising efforts by making a gift on your behalf.

For team captains, the Participant Center is a great place to send encouragement to your team members by emailing them reminders and event information.

1. Find the walk that you're registered for by clicking the name at <https://www.melanoma.org/get-involved/miles-for-melanoma/5k-runs-walks>
2. Enter your username and password in the login area at the top of the page

If you have any additional questions or need help accessing your participant center, please email milesformelanoma@melanoma.org or call our office at (202) 347-9675 for assistance. Miles for Melanoma is a national program, so please be sure to include the event name when you email or call.
